### Showerheads Exchange Program

Corine Burgess—Environmental Specialist will give a presentation on saving water. At the end of the program NRCS Earth Team volunteers will be exchanging your old showerheads for a new low-flow water saving showerheads. Bring your old showerheads!

### Rain Barrels

Master Gardeners will make a presentation on the benefit of using rain barrels. At the end of the program Master Gardeners will guide you through making your own rain barrels. IF you would like to purchase a Rain Barrels the cost is \$25.00. Please reserve your rain barrel by calling 402-6540, quantities are limited.

### Mobile Irrigation Lab

Dee Dee Jacobson, Urban Horticulturalist for Highlands County Extension Service will inform us on the progress of the Mobile Irrigation Lab for Highlands Soil and Water Conservation District and how to sign up for the services provided.
